Purchase Order General Terms and Conditions

1. Acceptance/Entire Agreement

These terms and conditions, together with any Special Terms and Conditions or addendum attached hereto or referenced on the Purchase Order, the Purchase Order, and any Representations and Certifications made by Seller, constitute the entire agreement between Buyer and Seller, merge and supersede all communications, written or oral, prior to or contemporaneous with any Order, and shall not be subject to variation irrespective of any wording in Seller's offer or acceptance. Any additional or different terms or conditions which may appear in any communication from Seller are hereby expressly objected to and shall not be effective or binding unless specifically agreed to by the Buyer in supplemental contract form. Any Order becomes a binding contract when accepted by Seller, either by acknowledgment or commencement of performance. Seller shall include the substance of these provisions (Entire Agreement) in all subcontracts Seller places in support of the Order.

2. Definitions

The following definitions apply unless otherwise specifically stated:

Article - A Service or item of the Order

Buyer - Pacific Ship Repair & Fabrication, Inc. (also referred to as "PACSHIP" or "PSRF").

Contracting Officer - The Government Contracting Officer for the Prime Contract or authorized representative.

DFARS - The Department of Defense FAR Supplement

FAR - The Federal Acquisition Regulations

Government - The Government of the United States, including its Federal Agencies

Order - A written order signed by the Buyer's Agent, the Purchase Order.

Prime Contractor - The holder of the Government contract under which an Order is issued

Seller - The legal entity which contracts with the Buyer to provide goods or services (the Articles)

3. Headings

The descriptive headings contained in this Order are for convenience or reference only and in no way define, limit or describe the scope or intent of this Order.

4. Obligations under the Prime Contract

If the face of an Order includes identification of a prime contract, the goods or services (or both) ordered are procured in furtherance of Buyer's performance of Buyer's prime contract with its customer, or Buyer's Subcontract under its customer's Prime Contract with the government. If an Order includes identification of a prime contract, drawings or specifications, or both, such references are intended to reflect the requirements of Buyer's prime contract or Buyer's Subcontract under its customer's Prime Contract with the government, and it shall be the responsibility of Seller to assure that it is familiar with and strictly complies with all prime contract requirements applicable to the goods, services, or both, covered by such Order. Upon request, Buyer will provide copies of applicable plans, specifications, and general requirements of the prime contract.

5. Order of Precedence

- a) In the event of any inconsistency between any parts of this Order, the inconsistency shall be resolved by giving precedence in the following order:
 - i) The Order and any modifications or changes thereto exclusive of items (ii) through (vi).
 - ii) Any FAR and DFARS clauses (and any other regulations referenced therein) or other special provisions to these General Provisions (also referred to as terms and conditions) as invoked in this Order.
 - iii) These General Provisions and any other regulations referenced therein.
 - iv) Statement of Work.
 - v) Specification/Drawing.
 - vi) Other documents referenced in this Order.
- b) Seller shall immediately bring any inconsistencies to the attention of Buyer in writing, and any inconsistencies in or among any of the foregoing shall not be the basis for any defense of a breach of contract claim brought by Buyer against Seller for Seller's failure to perform under this Order, nor shall any such inconsistencies be the basis for any claim of any kind by Seller against Buyer unless Seller has first timely brought such inconsistencies to Buyer's attention and Buyer has failed to resolve such inconsistencies.

6. Performance and Delivery

It is agreed that time is of the essence in performance of any Order incorporating these terms and conditions. Commencement and completion of work or delivery of the goods ordered shall be strictly in accordance with the schedule/date set forth on the face of the Order, or, if no schedule/date is there set forth, in accordance with the requirements of Buyer's prime contract. When requested by Buyer, Seller shall submit to Buyer, in the form acceptable to Buyer, a detailed schedule for performance of the Order, which schedule will comply with all schedule requirements of Buyer's prime contract, within three (3) days of Buyer's request. If the Order requires shipboard work, Seller shall, at no additional cost to Buyer, coordinate its work with that being performed by Buyer, Buyer's customer, or other subcontractors of Buyer or Buyer's customer.

Seller shall furnish personnel, supervision, equipment, and materials sufficient to complete the Order within the defined schedule. If Seller falls behind schedule or if it otherwise appears that Seller will not complete the tasking or deliver goods within the schedule required, the Buyer may, in accordance with Clause 45 (Termination for Default) hereof, terminate Seller's right to

proceed with the task or with such part of any task as is behind schedule, or may require Seller, at Seller's expense, to increase its personnel or shifts, to use overtime, to use expedited shipping means, or to take such other measures as may be necessary to meet or recover schedule. Seller agrees to notify Buyer immediately if, at any time, it appears that the delivery schedule set forth herein may not be met. Such notifications shall include the reasons for any possible delays, steps being taken to remedy any such problems and a proposed revised delivery date.

Seller shall, at their own expense, provide workers with proper credentials for access to Naval Facilities and other BUYER customer shipyards. This includes pier access passes and the NCACS program credentials (e.g., RapidGate). Contact information for RapidGate is: <http://www.rapidgate.com/forms/company-enrollment-form>, 877-727-4342 / email: info@rapidgate.com

Seller shall, within three (3) days of Order completion, remove all Seller responsible equipment, material, scrap, salvage, excess, and hazardous materials, from the ship, wharf, pier, and Buyers customers' facilities. If not removed in the time specified herein, Buyer *may* remove Seller responsible items and store them until Seller retrieves them. Seller shall be responsible for Buyers cost of removal and storage.

7. Labor Disputes

Whenever an actual or potential labor dispute delays or threatens to delay Seller's performance of this Order, the Seller shall immediately give notice thereof to Buyer. Such notice shall be confirmed in writing and shall contain all information relevant to the dispute. Seller agrees to include this paragraph in all subcontracts or purchase orders issued by Seller in connection with this Order.

8. Title

Unless otherwise stated in the Order, title to Supplies covered by the Order shall pass from the Seller to Buyer at the F.O.B. point.

9. Packing and Shipping

The Articles shall be packed and shipped by Seller in accordance with Buyer's instructions and good commercial practice so as to ensure that no damage shall result from handling, weather, or transportation. If Articles are tendered to a common carrier for delivery, packing also shall conform to packing requirements applicable to such carrier. The cost of such packing and shipping shall not be allowed unless included in the price of the Articles. Evidence of shipment of goods must be forwarded to Buyer immediately after shipment. A certificate stating that all required tests have been performed and that all Articles conform to drawings and specifications shall be supplied separately for each partial or complete shipment of each Article. Unless otherwise stated, all deliveries and prices are F.O.B. Buyer's facility and all sales, excise, or other taxes applicable to the Articles are included in the Order price.

10. Warranty

Seller warrants that all work and materials furnished hereunder will be free from defects in materials and workmanship and will conform to applicable specifications, drawings, samples and descriptions, and if Seller's design or selection, will be free from design defects and fit for intended use. Except as otherwise expressly provided, the foregoing warranties shall be in

effect for a period of 90 days that shall commence immediately following the completion of Buyer's contract or the redelivery of the vessel by Buyer, or the date of final acceptance by the government, whichever occurs first, provided, however, if the equipment, materials, or workmanship provided hereunder is incomplete at the time of completion of the contract or redelivery of the vessel, the above guarantee shall not commence until said equipment, materials, or workmanship is completed. Completion includes delivery to Buyer, and acceptance by Buyer's Prime Contract Customer, of required reports and objective quality evidence. If any time during said period, non-conformity in equipment, materials or workmanship furnished by Seller is discovered, such non-conforming equipment, material, or workmanship shall be made good, at Seller's expense, to the requirements of this contract and the plans and specifications. All warranties shall run to Buyer and Buyer's customers.

11. Infringement Indemnity

Seller shall indemnify and hold harmless Buyer, its successors, assigns, customers, and users, to the extent such customers and users are indemnified by the Buyer, for the full extent of any loss, expense, cost, damage, or liability from any claimed infringement of any United States patent, trademark, copyright, or any claimed unauthorized use of data or proprietary rights with respect to the Articles, except those manufactured to Buyer's detailed design or manufacture differ from Seller's normal practice. Seller shall defend same at its expense, provided that Buyer notified Seller of such claimed infringement.

12. Compliance with Laws

Seller shall comply with all Federal, State, and local laws, Naval Base Instructions, Notices and Directives, executive regulations, and orders.

The Seller shall be responsible for obtaining any necessary license and permits applicable to the performance of work.

Seller shall produce the Articles in compliance with all requirements of the **Fair Labor Standards Act**.

Seller shall comply with Executive Order 13496, 29 CFR 471 – **NOTIFICATION OF EMPLOYEE RIGHTS UNDER FEDERAL LABOR LAWS**, 29 CFR Part 471, Appendix A to Subpart A.

Seller covenants to hold Buyer and its assignees harmless from any and all costs, damages and expenses (including reasonable attorney's fees) incurred by Buyer and its assignees arising out of or as a result of any failure of Seller to comply with any such laws and regulations.

13. Governing Law

The parties agree that irrespective of the place of performance of this Order, the Order shall be construed and interpreted according to Federal Common Law and Federal Contract Law as enunciated and applied by the Federal courts, boards of contract appeals and other administrative and quasi-judicial bodies of the Federal Government. To the extent the Federal Common Law and Federal Contract Law is not determinative, the laws (both substantive and procedural) of the State of California in effect at the time of the execution of this Order shall apply as the same would be applied to transactions between residents of the State of California to be fully performed within the State of California and without regard to the State's conflict of laws principles. Any action by either party against the other shall be brought before any court in the State of California having competent jurisdiction.

14. Foreign Corrupt Practices Prohibition

(a) By accepting this Order, Seller certifies and represents that it has not made or solicited and will not make or solicit any offer, payment, promise to pay, or authorization to pay any money, gift, or anything of value to any governmental official or any political party, party official or candidate, either directly or through an intermediary, corruptly for the purpose of influencing any official act, omission, or exercise of influence by the recipient, to assist Buyer or Seller in obtaining or retaining business.

(b) Seller shall ensure that all lower tier subcontracts include this paragraph.

15. Export Control Compliance

(a) Seller shall comply with the Arms Export Control Act (22 U.S.C. 2778), the International Traffic In Arms Regulations (ITAR) (22 CFR Parts 120 to 130), the regulations issued by the Office of Foreign Assets Control (OFAC) (31 CFR Chapter V), and all other applicable laws, regulations and orders which control the imports and exports of defense articles, defense services, and technical data.

(1) The Vessel and the Contract Products are deemed to be “defense articles” under the ITAR. This Contract may require Seller to furnish “defense services” and/or export “technical data” as defined in the ITAR.

(3) Technical data and defense services furnished by Buyer to Seller are authorized for use only by Seller and may not be exported or re-exported without a license or other approval from DTC.

(4) If Seller desires to authorize Buyer to export technical data directly to, or furnish defense services to, a sub-tier supplier that is a foreign person, Seller shall include Buyer as a third party signatory on any export license or other approval prior to Buyer’s exporting technical data to, or furnishing a defense service to, any such foreign person sub-tier supplier.

(5) Seller shall provide to Buyer, within three (3) days of the request, all licenses or other approvals obtained by Seller in compliance with the above requirements, redacted if Seller desires to prevent the disclosure of any proprietary data.

(b) If Seller is not organized to do business in the United States, Seller nevertheless shall perform this Contract in compliance with the laws, regulations and terms set forth in subparagraph (a) hereof, specifically including, but not limited to, those provision regarding the re-export of defense articles, defense services and technical data. Seller shall execute any documents required by Buyer in order for Buyer to lawfully export defense articles, defense services or technical data, or furnish defense services, to Seller in the performance of this Contract.

16. Insurance Requirements for Subcontractors (SELLER and their subcontractors)

(A) Without limiting the indemnity obligations or liabilities of SELLER or its insurer(s) under the Order, at any and all times during the term of the Order, SELLER shall at SELLER's expense maintain, with an insurance company or companies authorized to do business in the location where the Order is to be performed, insurance coverage's of the kind and in the minimum amounts set forth below and in a form and with such insurers acceptable to BUYER. All such policies shall be "occurrence" as opposed to "claims made" policies unless agreed to in writing by the BUYER. The limits specified shall be minimum limits only and additional insured's shall be entitled to the full limits of all policies actually obtained. The limits of such policies shall in no way limit the indemnity or other obligations of SELLER under the Order unless required by applicable law. Failure to maintain insurance shall give BUYER the right to immediately terminate the Order without prior notice to SELLER. SELLER shall be solely liable for and shall assume the costs of any deductible amounts of self-insured retentions and any liability of SELLER in excess of the insurance maintained. In the event any liabilities of SELLER are not covered by the insurance specified herein SELLER shall be deemed to be self-insured to that extent.

The insurance that SELLER is required to maintain is as follows:

(1) Comprehensive General Liability (CGL)

Minimum limits: \$2,000,000 CGL

Must include contractors liability, products/completed operations and bodily injury of at least \$1,000,000 per occurrence

(2) Automobile Liability

Minimum combined bodily injury and property damage: \$1,000,000 per occurrence. (Not required if not driving a vehicle at any of our job sites)

(3) Workers Compensation and Longshoremen's and Harbor Workers Compensation Insurance

Insurance with limits of liability conforming to the statutory requirements of the United States of America and any state where the work is being performed by Subcontractor's employees. (US Longshoremen's and Harbor Workers (USL&H) Coverage not required if employees will not go aboard vessels, piers, wharfs or docks.) (USL&H and Workers Compensation not required if there are no employees other than owners.)

(4) Excess Liability

If required to meet the above minimum limits

(5) Jones Act Coverage

If Seller's employees, subcontractors or suppliers are required to go to sea aboard a Vessel, Seller shall maintain Jones Act coverage with minimum limits of liability of \$2,000,000 per occurrence and \$2,000,000 in the aggregate.

(6) Defense Base Act Coverage

If Seller's employees, subcontractors or suppliers are required under this Contract to perform any work related to any U.S. Government contract outside of the United States, Seller shall maintain Defense Base Act coverage with minimum limits conforming to the statutory requirements of the United States.

(B) SELLER hereby waives subrogation and, prior to commencing work under the Order for BUYER, shall obtain from its insurers full waivers of subrogation (whether direct, indirect, equitable, by loan receipt or otherwise) against BUYER, its contractors and subcontractors (excluding SELLER) and its customers, their respective vessels, joint ventures', co-lessees, partners, parents, subsidiaries, affiliates, and interrelated companies and their respective officers, directors, agents, employees, and representatives, , — the contractors, subcontractors, vendors, and suppliers of any of the foregoing (all of the foregoing herein after referred to as the "BUYER Group") in all of the insurance policies set forth in this Clause and all insurance carried by SELLER protecting against loss of or damage to its property and equipment employed in the performance of the Order. As used in these Terms and Conditions, the term "affiliate" means any entity, which controls, is controlled by, or is under common control with another entity or which entity does or is required by applicable laws or accounting rules to consolidate its financial statements for financial reporting purposes with such other entity. An entity is deemed to control another if it owns directly or indirectly at least fifty percent (50%) of (i) the shares entitled to vote at a general election of directors of such other entity, or (ii) the voting interest in such other entity if such other entity does not have either shares or directors.

(C) Further, the BUYER Group shall be named as additional insured's in all insurance policies carried by SELLER, other than the Worker's Compensation and Employers' Liability Insurances. All such policies shall insure the BUYER Group as additional insured's for any liabilities assumed by SELLER hereunder, including those under Clause 17 (Indemnity) of these Terms and Conditions. All such policies shall be endorsed to provide that they are primary to any coverage's maintained or available to such additional insured's, regardless of any "excess" or "other insurance" clauses therein. All such policies shall be endorsed to provide that additional insured's shall not be liable for premiums, commissions, or calls, and that BUYER shall be given thirty (30) days prior written notice of any cancellation, non-renewal, or material modifications of such policies.

(D) All such insurances will provide for contractual liability coverage to fully cover the indemnity obligations of SELLER assumed in this Agreement. All such policies shall have navigation or territorial limits adequate for the engagement contemplated herein. All such policies shall be satisfactory in form and substance to BUYER, and shall not contain additional exclusions or deletions which adversely affect the coverage afforded by the policies in favor of the additional insured's required hereunder. All such policies shall be endorsed to provide that employees of one insured shall be treated as members of the public as to all other insured's.

(E) In the event SELLER seeks to be a self-insurer and BUYER has consented to SELLER being a self-insurer as to any one or more of the risks as to which coverage is herein

required, evidence of such consent must be in writing and approved by a representative of BUYER authorized to enter into such consent agreement.

(F) SELLER shall require all of its contractors and subcontractors to obtain and maintain in full force and effect all of the insurances with coverage's and limits required hereunder, to name as additional insured's with full waiver of subrogation on all such policies the BUYER Group, and to certify such coverage's to BUYER. Any failure of contractors and subcontractors to comply with this requirement and any deficiencies in coverage's or limits of such policies shall be the sole responsibility of SELLER.

(G) The failure of SELLER, its underwriters or brokers to have in place and maintain the insurance coverage's provided for herein shall constitute a breach of contract for which SELLER shall be liable in damages to BUYER for all losses, expenses, claims or judgments that otherwise would have been covered under the required policies. The BUYER shall also be entitled to recover reasonable attorneys' fees and costs associated with any claim against SELLER, its underwriters, or brokers seeking indemnity, insurance coverage, and/or damages for breach of contract.

(H) Seller or Sellers insurance broker or insurer shall immediately notify buyer in the event that notice of cancellation is issued for any reason prior to the expiration date of any policy subject to this Clause.

For ship availabilities with durations of less than 61 days, Buyer's right to terminate the Order may be exercised if the Seller does not cure such failure within three (3) days after receipt of "Cure Notice" from Buyer specifying the failure.

If Buyer terminates the Order in whole or in part by reason of Seller's default, Buyer may acquire (re-procure) under the terms and conditions and in the manner Buyer considers reasonable and appropriate such similar Supplies or Services as those terminated. The Seller shall be liable to Buyer for any excess costs for Supplies or Services so acquired, it being understood that the Seller shall continue to work on that portion of the work not terminated. With regard to the Seller's liability for excess costs:

(A) Except for defaults by Seller's subcontractors at any tier, the Seller shall not be liable for any excess costs if the failure to perform under the Order arises from causes beyond the control and without the fault or negligence of the Seller. Failure to agree shall be deemed a dispute under the "Disputes" Clause of the Order. The Seller may not withhold Supplies, or partially completed Supplies, materials, parts, tools, dies, jigs, fixtures, etc. pending a resolution of any such dispute.

If, after termination for a Seller's default, it is determined that the Seller was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been for the convenience of Buyer under the Clause of the Order entitled "Termination for Convenience."

It is expressly understood these remedies available to Buyer may be cumulative and additional to any others provided by this agreement, the purchase order, or further remedies provided in law or equity. At the time of any such termination, as provided for above, the Seller shall discontinue all work, place no additional orders, and cancel existing orders, on the best possible terms. (a) This Order and the performance of the parties hereunder shall be controlled and governed by the Law of Federal Government contracts and, where the Federal Government contracts law is not applicable, the law of the State of California. The parties shall attempt, in good faith, to settle all disputes arising under this Order. Any dispute which the parties cannot reach an amicable settlement will be resolved as described in paragraphs (b), (c) and (d) below. Pending final resolution of any dispute under this Order, Seller shall proceed diligently with the performance of this Order.

(b) In the event (1) Seller's claim, or any portion thereof, against Buyer is the proper subject for a claim by Buyer against a higher-tiered contract contractor, including the Government, under the terms of the Buyer's Contract with a higher-tiered contractor ("Buyer's Contract"), or (2) Buyer's claim against Seller, or any portion thereof, is based upon a corresponding claim against Buyer by a higher-tiered contractor, including the Government under Buyer's contract, then the dispute shall be litigated only pursuant to the Disputes clause of Buyer's Contract. Seller will cooperate fully with Buyer in drafting and documenting any claims to be presented to the higher-tiered contractor or in responding to any claim by a higher-tiered contractor. Seller agrees to certify that its claim or defense is made in good faith, all supporting data for its claim or defense are accurate, current, and complete, and the amount of the claim accurately reflects the amount for which the Seller believes it is entitled.

Seller and Buyer agree that the claim of a higher-tiered contractor or the decision of the higher-tiered contractor on a claim presented by Buyer is final and binding on the parties unless the higher-tiered contractor's action is appealed pursuant to Buyer's Contract. Buyer shall notify Seller of the higher-tiered contractor's action within 10 days after Buyer's receipt thereof. Within 10 days of such notice, Seller shall advise Buyer in writing whether Seller desires to appeal the action. If Seller desires the action appealed, Seller's notice to Buyer shall set forth in detail its reasons and shall specifically request Buyer to appeal such decision. Buyer shall have absolute discretion whether to appeal such decision.

If Buyer agrees to appeal a decision, Seller agrees to indemnify and hold harmless Buyer for the cost of said appeal and applicable attorney's fees incurred in prosecuting any such appeal initiated by Buyer at Seller's request. Seller may participate in any such appeal at its own expense. Buyer may require the Seller to prosecute the appeal in Buyer's name and at the prosecution of appeals, (if such authorization is provided, Seller shall have full responsibility for such proceedings and shall bear all expenses, including attorney's fees in connection therewith, provided however, that such authorization shall not constitute Seller the agent or attorney for Buyer.) The outcome of the appeal shall be final and binding on the parties. Buyer agrees that it will take no action to settle or

prejudice Seller's claim without Seller's consent. Seller's right to interest is limited to its apportioned share of interest recovered pursuant to the appeal.

(c) For all other disputes, the parties agree to enter into binding Arbitration. The American Arbitration Association Commercial Arbitration Rules (most current) are to govern the Arbitration. The Arbitration shall take place in the City of San Diego, State of California. The Arbitrator shall be bound by the applicable Subcontract provisions and California law in adjudicating the dispute. It is agreed by both parties that the Arbitrator's decision is final, and that no party may take any action, judicial or administrative, to overturn this decision. The judgment rendered by the Arbitrator may be entered in any court having jurisdiction thereof.

If Seller submitted cost or pricing data (as defined in FAR subpart 15.4 Contract Pricing) as part of the process leading up to the award of this Order or if Seller submits such data in connection with the pricing of any change order or other modification of this Order, Seller acknowledges that it is aware of Buyer's potential liability to the Government in the event that any of Seller's data were not current, complete, or accurate. Seller warrants that all cost or pricing data submitted by it (including data obtained from Seller's subcontractors, if any) in connection with Order shall be complete, accurate, and current as of the time of agreement between Buyer and Seller to the price of this Order. Seller shall indemnify and save harmless Buyer from any and all loss or expenses caused by any breach of the foregoing warranty, including but not limited to any and all costs and fees incurred by Buyer in defending against claims alleging deficiencies in Seller's cost or pricing data, regardless whether such claims may ultimately be held lacking in merit.

49. Release of Information

Seller shall not advertise, publish, or otherwise release any information relating to the Order, including the fact that Buyer has issued the Order, without Buyer's prior written permission.

50. Anti-Kickback Act, Business Conduct and Ethics, Debarment and Suspension

Seller is hereby on notice that this Order is subject to the terms of the Anti-Kickback Act of 1986 (41 U.S.C. §51-58) and implementing regulations and prime contract clauses. money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind directly or indirectly to Buyer, to any Buyer employee, or to any other subcontractor of Buyer or any employee of any such subcontractor for the purpose of improperly obtaining this or any other contract or Order from Buyer or for rewarding favorable treatment in connection with this or any other contract or Order between Buyer and Seller. Seller also agrees that it shall promptly report to Buyer's Ethics Hotline (619) 232-3200 Ext.119 any solicitation or request for a kickback as defined in the previous sentence. Seller's breach of the forgoing prohibition or of the foregoing obligation to report shall be considered a material breach of this contract and of any and all contracts between Buyer and Seller.

- (b) Gifts and Gratuities to Buyer's Personnel. The Seller is hereby on notice that it is Buyer's policy that Buyer's personnel owe complete loyalty to Buyer and are forbidden to accept money or things of value from any supplier of goods or service to Buyer, regardless whether such acceptance would constitute an act prohibited by the Anti-Kickback Covenant of this Order. Seller for itself and its principal owners, stockholders, and officers, warrants and covenants that no employee of Buyer has any financial interest in Seller (except such as has been disclosed in writing to Buyer's Director of Contracts), and that Seller has not and will not directly or indirectly give anything of value to any employee of Buyer. The only exception to the foregoing prohibition against gifts or gratuities to Buyer's personnel shall be promotional or commemorative items having a value of less than \$25.00, and food and refreshments during business meetings. Breach of the foregoing warranty and covenant shall entitle Buyer, in addition to any other rights and remedies, immediately to terminate for default any and all Orders to Seller outstanding at the time that Buyer learns of any such breach, regardless of when such breach may have occurred.
- (c) Procurement Integrity Covenant. Seller is hereby on notice that this Order is subject to the terms of the Office of Federal Procurement Policy Act (41 U.S.C.  423) and implementing regulations. Seller agrees that Seller shall, during the conduct of any federal agency procurement, be strictly prohibited from engaging in any of the following activities: (i) making, directly or indirectly, any offer or promise of future employment or business opportunity to, or engaging, directly or indirectly, in any discussion of future employment or business opportunity with, any procurement official of such agency; (ii) offering, giving, or promising to offer or give, directly or indirectly, any money, gratuity, or other things of value to any procurement official of such agency; (iii) soliciting or obtaining, directly or indirectly, from any officer or employee of such agency, any proprietary or source-selection information regarding such procurement; (iv) knowingly disclosing any proprietary or source-selection information regarding such procurement, directly or indirectly, to any person other than a person authorized by the head of such agency or the contracting officer to receive such information; or (v) permitting any individual who was formerly a Government procurement official with respect to the Government contract appearing on the face of this Order to Knowingly participate in any manner in any negotiations leading to the award, modification, or extension of a contract for such procurement, or to knowingly participate personally and substantially on behalf

of the Seller in performance of such contract [this last restriction, number (v), only applies if this Order qualifies under 41 U.S.C. §423(d)]. Seller also agrees that it shall promptly report to Buyer's Ethics Hotline (619) 232-3200 Ext.119 any violations or possible violations of the above provisions.

Seller's violation of any of the prohibitions set forth in 41 U.S.C. §423 or failure to comply with the reporting requirements shall be considered a material breach of this contract and of any and all contracts between Buyer and Seller. Seller agrees to indemnify and save harmless Buyer and its successors, assigns, or customers from any expense, loss, damage, or liability on account of any violations of the foregoing prohibitions. Seller agrees at its own expense to defend any actions, suits, or claims in which such violations are alleged, provided that Seller is notified as to such actions, suits, or claims.

- (d) **Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions.** Seller is hereby on notice that if a Government contract number appears on the face of this Order and if this Order exceeds \$100,000 this Order is subject to the terms of 31 U.S.C. §1352 and implementing regulations and prime contract clauses. Seller agrees that Seller shall be strictly prohibited from using appropriated funds to pay any person for influencing or attempting to influence an officer or employee or any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the award of, or the modification of, any federal contract. The Seller further agrees that it shall file a disclosure form with Buyer's Director of Contract Management at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the information contained in any disclosure form previously filed by Seller under this clause. Seller's breach of the foregoing prohibition or of the foregoing obligation to file disclosure forms shall be considered a material breach of this contract and of any kind and all contracts between Buyer and Seller.
- (e) **Debarment and Suspension Covenant.** Seller is hereby on notice that if this Order exceeds \$30,000, this Order is subject to the terms of FAR Subpart 9.4. Seller for itself and its principals warrants and covenants that neither Seller nor any of its principals as the time of entering into this Order is debarred, suspended, or proposed for debarment by the Federal Government (except such as has been disclosed in writing to Buyer's general Counsel). Breach of the foregoing warranty and covenant shall entitle buyer, in addition to any other rights and remedies, immediately to terminate for default any and all Orders to Seller outstanding at the time that Buyer learns of any such breach, regardless when such breach may have occurred.

51. Limitation on Liability

EXCEPT FOR THE RIGHTS AND OBLIGATIONS SET FORTH IN THE TERMINATION, INDEMNITY AND WARRANTY CLAUSES HEREIN, UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR: (i) PUNITIVE, EXEMPLARY OR OTHER SPECIAL DAMAGES ARISING UNDER, OR RELATING TO, THIS CONTRACT; OR (ii) INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF USE, DELAY OR TIME RELATED DAMAGES, LOSS OF INCOME, LOST PROFITS OR LOSS OF ANTICIPATED PROFITS, LOST BUSINESS, LOSS OF BUSINESS REPUTATION, OR LOSS OF BUSINESS OPPORTUNITIES, UNREALIZED SAVINGS, ANY AND ALL ATTORNEYS' FEES AND COSTS) ARISING UNDER, OR RELATING TO THIS CONTRACT, REGARDLESS OF WHETHER SUCH DAMAGES ARE BASED IN CONTRACT, TORT, OR ANY OTHER LEGAL OR EQUITABLE THEORY, AND REGARDLESS OF WHETHER BUYER WAS ADVISED OF, KNEW OF, OR SHOULD HAVE KNOWN OF, THE POSSIBILITY OF SUCH DAMAGES, TO BUYER'S BENEFIT, IF BUYER FURNISHES GOODS OR SERVICES TO THE SELLER, SELLER AGREES TO AND DOES WAIVE ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, WHETHER ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY FOR FITNESS OR FOR A PARTICULAR PURPOSE THAT MAY FLOW TO IT FROM BUYER.

52. NO DISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITIES FOR VETERANS AND PERSONS WITH DISABILITIES

Seller and Seller's subcontractors shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

Seller must abide by the requirements of the below cited Federal Regulations and include this language in all subcontracts:

Seller and Seller's subcontractors shall abide by the requirements of 41 CFR 60-300.5(a). This regulation prohibits discrimination against qualified protected veterans, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans as applicable.

Buyer and Seller shall abide by the requirements of 41 CFR 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities as applicable.

Buyer and Seller, when including this language in all subcontracts, shall ensure the two paragraphs in the section above **are included in bold font** as required by the Federal Regulations.

Seller covenants to hold Buyer and its assignees harmless from any and all costs, damages and expenses (including reasonable attorney's fees) incurred by Buyer and its assignees arising out of or as a result of any failure of Seller to comply with any such laws and regulations.

53. Severability

If any provision of the Purchase Order, or part thereof, shall be invalid or unenforceable, such provision or part shall be deemed severed, and the remainder hereof shall be given full force and effect.

54. Authority

Each party covenants to the other party that it is authorized to enter into the Order.

55. Electronic Signatures

Delivery of an executed counterpart of a signature page to the Order by email shall be effective as delivery of a manually executed counterpart of the Order.

56. Examination of Records

Seller agrees that the Buyer, Buyers Customer, the Contracting Officer, or other duly authorized Government Employee shall, until the expiration of three (3) years after final payment under the Order, have access to and the right to examine any directly pertinent books, documents, papers, and records involving transactions pertaining to the Order.

The period of access to and right of examination of records which relate to (i) Buyer's appeals under the "Disputes" Clause of the Prime Contract, (ii) litigation or settlement of claims arising out of the Prime Contract or (iii) cost and expenses of the Prime Contract or the Order shall continue until such appeals, litigation, or claims have been disposed of.

57. Product Oriented Survey

In accordance with DFARS Subpart 246.103, the Government shall have the right to conduct a product-oriented survey(s) of Seller to determine compliance with the requirements of the Order, and Seller shall insert a substantially similar clause in all of its subcontracts awarded pursuant to the Order.

58. Waiver

No waiver by either Buyer or the Seller, whether written or oral, expressed or implied, of any rights under or arising from the Order shall be binding on any subsequent occasion and no concession by either Buyer or the Seller shall be treated as a variation of the Order unless specifically agreed in writing.

59. Buyer Authorization

(a) Buyer's Procurement and Contract/Subcontract representatives have sole authority to make contractual commitments on behalf of Buyer, to provide contractual direction, and to change contractual requirements defined in this Order.

(b) Buyer's program, operations, engineering, technical, safety, quality or other personnel may from time to time render assistance, give technical advice, discuss, or exchange information with Seller's personnel concerning the Work hereunder. Such actions shall not be deemed to be a change under the "Changes" clause above, and shall not be the basis for equitable adjustment. If Seller believes the foregoing creates an actual or constructive change, Seller shall notify the Buyer Procurement or Contract/Subcontract representatives and shall not accept such direction or perform said action unless authorized under subparagraph (a) above.

60. Customer Communications

Buyer shall be solely responsible for all liaison and coordination with the Customer or any higher tier contractor(s) as it affects this Order or any Work thereunder or related thereto. Except as required by law, Seller shall not communicate with the Customer, and any higher tier contractor(s), with respect to this Order or any Work thereunder or related thereto, without prior approval of the Buyer's Procurement or Contract/Subcontract Representative. Seller shall promptly notify Buyer of any communications, initiated by the Customer or any higher tier contractor(s) that affects this Order or any Work thereunder or related thereto.
